

## Notice of obstruction on Clayton Road footpath, Hanchurch Interchange, Update

October 2022 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. Working on behalf of HS2 Ltd, Balfour Beatty is carrying out surveys along the Phase 2a route.

### What we are doing

HS2 Ltd is proposing to make changes to the Hanchurch Interchange at J15 of the M6, Newcastle Road, Clayton Road and the junction of Newcastle, Trentham and Whitmore Road, to improve the traffic flows during the construction of HS2.

During some recent surveys, a piece of equipment became lodged inside a manhole chamber we needed to plan for the safe removal of the equipment

To undertake this work, we need to excavate, by hand, in an area known to contain historic building rubble. As a precaution our operatives will have some additional personal protection equipment (PPE), including dust masks.

### When the work will take place

**Monday 7 November 2022**

**from 8am to 4pm**

### How this may affect you

To allow our contractors to complete this work safely, and for the safety of residents and road users, we will need to work across the footpath on Clayton Road leading to the Hanchurch Interchange roundabout. We will set up an exclusion zone, but the footpath will remain open. If you wish to come through, please make yourself known to any member of the team and the work will be stopped so we can escort you through the work area safely.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**

### Duration of works
