

Notice of road closure, Helmdon Road Greatworth

October 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. We are following Government and Public Health England (PHE) advice on working safely during the pandemic. The health and safety of our workforce and the communities we work within is our priority. You can sign up for regular updates in your local area at www.hs2inyourarea.co.uk.

What are we doing?

As part of our preparatory works for our main construction, we will be carrying out topographical surveys along Helmdon Road in Greatworth.

Topographical surveys will help us to finalise the design of the new railway and road alignments and where possible allow us to reinstate features after construction.

As we will be conducting these works very close to the local highway, we will close a section of Helmdon Road for approximately 5 days. To reduce community disruption, we will carry out this work at night.

When will these works take place?

A section of Helmdon Road will be fully closed at night, 8pm-6am, Monday 31 October 2022 until Friday 4 November.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works
