

## Notice of survey works, two-way traffic lights and 2 night-time road closures, Wood End Lane, Lichfield

October 2022 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. Working on behalf of HS2 Ltd, Balfour Beatty is carrying out utility surveys on Wood End Lane, Lichfield.

### What we are doing

HS2 Ltd is proposing to make changes to the junction of the A515 and Wood End Lane, with further widening to Wood End Lane. This is to improve traffic flows during the construction of HS2. To design the changes, Balfour Beatty will need to carry out surveys on the Cadent Gas pipe on Wood End Lane.

We previously informed you about the utility surveys taking place in September 2022, however due to unforeseen underground obstructions we were unable to complete the work. This means we will need to remobilise to carry out the utility survey. To safely complete the work, we will require lane closures with two-way traffic lights and 2 night-time road closures on Wood End Lane.

### Lane closures with two-way traffic lights

Monday 24, Tuesday 25, Wednesday 26 and Thursday 27 October 2022, 7.30am to 5pm

### Night-time full road closure with diversion

Monday 14 and Tuesday 15 November 8pm to 5.30am

To complete the Cadent Gas survey, we will use a vacuum excavator to safely dig to the gas pipes. There may be some noise associated with these works which we plan to undertake at the beginning of the shift.

**Please plan and allow extra time for your journeys during the works**

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**

### Duration of works

Monday 24, Tuesday 25, Wednesday 26 and Thursday 27 October 2022, 7.30am to 5pm  
Monday 14 and Tuesday 15 November, 8pm to 5.30am

### What to expect

Wood End Lane two-way traffic lights and lane closure between the A515 and Watery Lane.

Wood End Lane 2 full night-time road closures between the A515 and Watery Lane with a diversion route via A38.

For the Streethay long term closure there is a free vehicle recovery provided specifically for those works. Please do not use Sat Navs but instead follow the clearly signed diversion route.

We will be onsite one hour either side of these times to set-up and close-down the worksite.

Please plan and allow extra time for your journeys during the works.

### What we will do

We will inform people of any changes in advance.
