

Public Right of Way W130b Closure

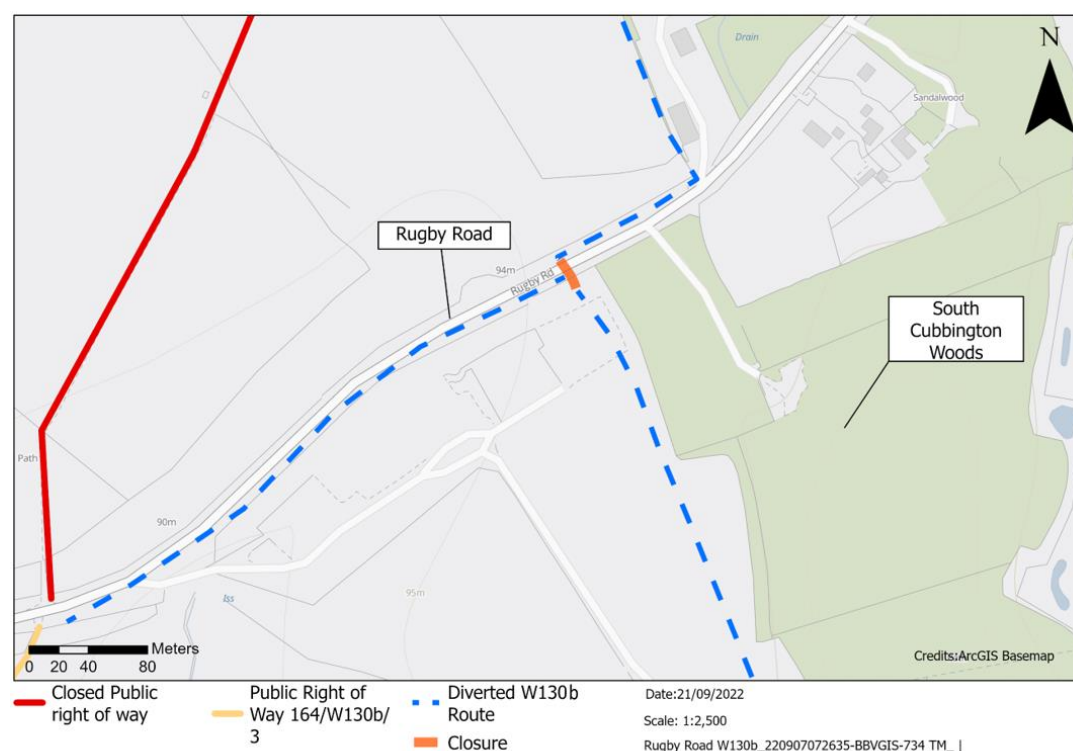

7 November 2022 to 18 November 2022

High Speed Two (HS2) is the new high speed railway for Britain.

Balfour Beatty Vinci (BBV) is working in partnership with HS2 Ltd to build the new railway in your area.

We will be doing temporary utility diversions to enable the preparation for the construction of the over bridge. The closure is to facilitate the safe digging of trenches to installing ducting and reinstatement.

There will be a full closure with no public access during working hours – 8am-6pm, the Public Right of Way crossing will be open to the public outside of our working hours. The site team will place a foot plate over the excavation so pedestrians can cross the road. This closure will allow us to keep users of the footpaths safe as we construct the line of route for HS2 at this location.

The timeframes in this notification may be subject to change and consents. For the latest information, please refer to www.hs2insolihull.co.uk and road signs. If **you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk**
