Notice of utility surveys in your local area

November 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

Works planned on Lynwood Road

Overnight between 7 to 9 November 2022, we will be carrying out ground penetrating radar (GPR) surveys in your local area. We will use scanning equipment to create a map of the utility services below the road. The road will be marked using biodegradable spray paint. Once the survey of the site is complete, photos of the paint marks will be taken to record the location of the utilities.

Our utilities team will be carrying out the surveys on the road. We will need to install traffic management on Lynwood Road during this time to keep staff members safe.

How this might affect you

We will have a temporary full road closure and footpath closure in place overnight whilst the survey is carried out. Access for residents will be maintained at all times. You may need to wait for a short period of time to allow for a safe route.

We will be working as efficiently as possible whilst keeping our work areas safe and tidy.

You can view a map showing the location of these works on the next page. Please note the dates for the surveys may change. You can view our latest works updates at <https://www.hs2.org.uk/in-your-area/map/>

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation
