## HS2 & SCSJV Information Hub

Our Community Information Hub is open for drop-ins every **Monday** and **Wednesday** from **2pm to 4pm**.

Our Community Engagement team will be available to answer your questions about the project and the works in Hillingdon and Northolt. You can find us in the portacabin on the right of West Ruislip Portal entrance on Ickenham Road.

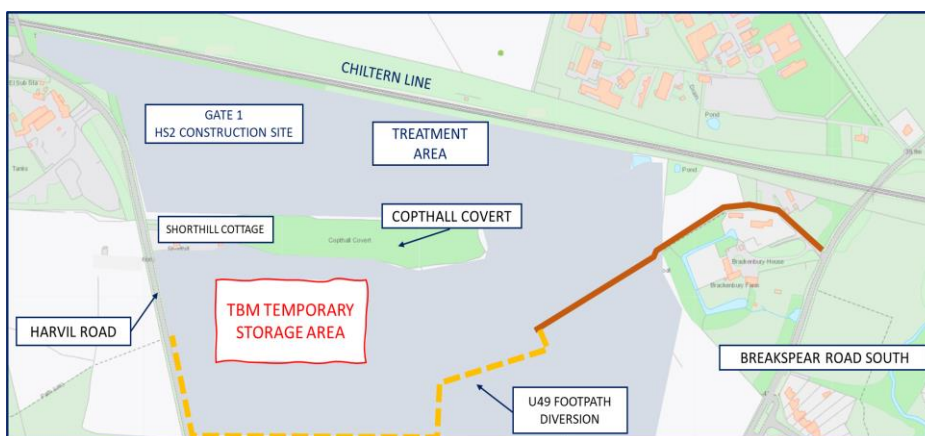

## What we are doing

From 1 December 2022 to April 2023, we will store TBM materials on the southern area of the Copthall Covert within our site boundary at Gate 1 on Harvil Road.

This will allow us to temporarily store and treat the soil that will be removed from the tunnels, before they are placed in their final location. This activity is regulated and approved by the Environment Agency, under the Noise Impact Assessment.

The location of the work is shown on the map below.

We would like to apologise in advance for any disruption or inconvenience this may cause. Every effort is being taken to ensure that these works are carried out in the least impactful way. We will ensure that disruption is kept to a minimum.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**
