

## Notice of traffic management update, A422, Westbury

November 2022 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. As we increase face to face engagement, in addition to virtual engagement, we will ensure all events and meetings adhere to the guidelines. The health and safety of our workforce and the communities we work within is our priority. If you have any questions about this, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at [www.hs2inbucksandox.co.uk](http://www.hs2inbucksandox.co.uk).

### What are we doing?

We are progressing with our work on the A422 and will now be completing two phases of work this autumn and winter. During the first phase, we will be working on the new temporary diversion and will be carrying out drainage and utility diversion works.

To do this safely, we will introduce temporary traffic management on the A422 in the form of two-way traffic lights during our normal working hours, Monday to Saturday. We will be monitoring the timing of the lights as well as the traffic flow on the A422. Where practical, we will make improvements and adjustments to the lights as required.

During the second phase, we will be tying in the new road and roundabout to the A422 ready for it to be opened up to traffic. These works will include the installation of lighting and signage, resurfacing and white lining.

For reasons of safety, these works will require full 24-hour road closures of the A422 in December.

### When will these works take place?

The A422 will continue to have traffic management Monday to Friday from 8am to 6pm and Saturdays 8am to 1pm, as has been the case since Monday 29 August 2022, into early 2023. Where works allow, we will remove traffic management when it is not required.

A section of the A422 will be closed on the following dates:

- 8pm Saturday 10 December to 6am Tuesday 13 December 2022

Working in collaboration with Buckinghamshire Council, we have adjusted our closure dates to avoid impacting events taking place in the local area.

As a contingency should there be delays to our works, a section of the A422 will also be closed from 8pm Friday 16 December to 6am Monday 19 December 2022.

### Duration of works

#### A422 Road Closures
