

Notice of overnight road closures, B4451 Kineton Road, Southam

November 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. The health and safety of our workforce and the communities we work within is our priority. Please contact the Helpdesk if you have any further questions relating to our response to the Covid-19 pandemic. You can sign up for regular updates in your local area at www.hs2inwarwickshire.co.uk.

What are we doing?

In late November, we will be carrying out a series of topographical surveys and utility trial holes along the B4451 Kineton Road. Topographical surveys will help us to finalise the design of the new railway and road alignments and where possible allow us to reinstate features after construction. The trial holes will allow us to accurately identify the existing utilities that are located under the Kineton Road.

To carry out these surveys safely and effectively, we will need to put in place some short duration overnight road closures with signed diversions. This is required because our staff will be working directly on the carriageway.

Access will be maintained for residents as well as emergency services within the closure area. We will also be discussing our closure plans with local business and sports facilities to accommodate any essential access needs within the closure area.

When will these works take place?

The B4451 Kineton Road will be closed overnight, 9.00pm to 6.00am, from Monday 28 November to Saturday 3 December 2022.

These dates may be subject to change due to circumstances outside of our control, such as weather.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
