November 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. We are following Government and Public Health England (PHE) advice on working safely during the pandemic. The health and safety of our workforce and the communities we work within is our priority. You can sign up for regular updates in your local area at www.hs2inyourarea.co.uk.

What are we doing?

In late November, we will be carrying out some urgent road repairs along the Stratton Audley Road, also known as School End.

In order to carry out these repairs safely, this section of road will be fully closed 24-hours a day for two days. This is for reasons of safety, as our staff will be working in the middle of the road.

We will work to reopen the road to reduce disruption as soon as possible.

When will these works take place?

A section of the Stratton Audley Road will be fully closed, 24-hours a day, on Monday 28 November and Tuesday 29 November 2022. The road will be reopened as normal on Wednesday 30 November 2022.

These dates may be subject to change due to circumstances outside of our control, such as weather.
