

Notice of utility works- Bromford Drive

November 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new railway in your area.

Gas main diversion – Bromford Drive

Ahead of starting work on the new HS2 Tunnel we need to divert a gas pipe that runs within the pedestrian footway on Bromford Drive. We expect to start this work on Monday 21 November and expect to complete it by Monday 19 December.

Footpath closure and diversion route

To carry out this work, we will need to excavate into the footpath to expose the gas pipe. Once the work has been completed the footpath will be reinstated.

To be able to complete the work safely we will need to close a section of the footpath along Bromford Drive. Access to properties will be maintained through a signposted diversion route.

What to expect

As we carry out this work you can expect to see construction equipment along the grass verge. You can also expect to hear some noise as we excavate to expose the gas pipe. We will be operating between Monday – Friday - 8am – 6pm.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>
