

Notice of traffic management on and around Coleshill Heath Road

November 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area

The work we will be doing

In order for the new railway to pass over the M6 an embankment is being built on part of Heath Park and Coleshill Heath Road. This will require several utilities to be diverted, so that our works do not interfere with the supply. To do this, we will need to close the A452 Chester Road overnight between Birmingham Business Park and Heath Park Island, followed by temporary traffic lights on Heath Park Island.

Phase One

The A452 Chester Road will be closed at night from 8pm until 6am on Wednesday 4 January until Friday 6 January. Traffic will be diverted via Junction 4 of the M6. Please see map overleaf for more detail.

Phase Two

The second phase of this work will require temporary traffic lights to be in operation around Heath Park Island overnight between 8pm and 6am from Monday 9 January until Friday 13 January. Please see map overleaf for more detail.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
