

Notice of temporary traffic management 12 December until 20 December

November 2022 | www.hs2.org.uk

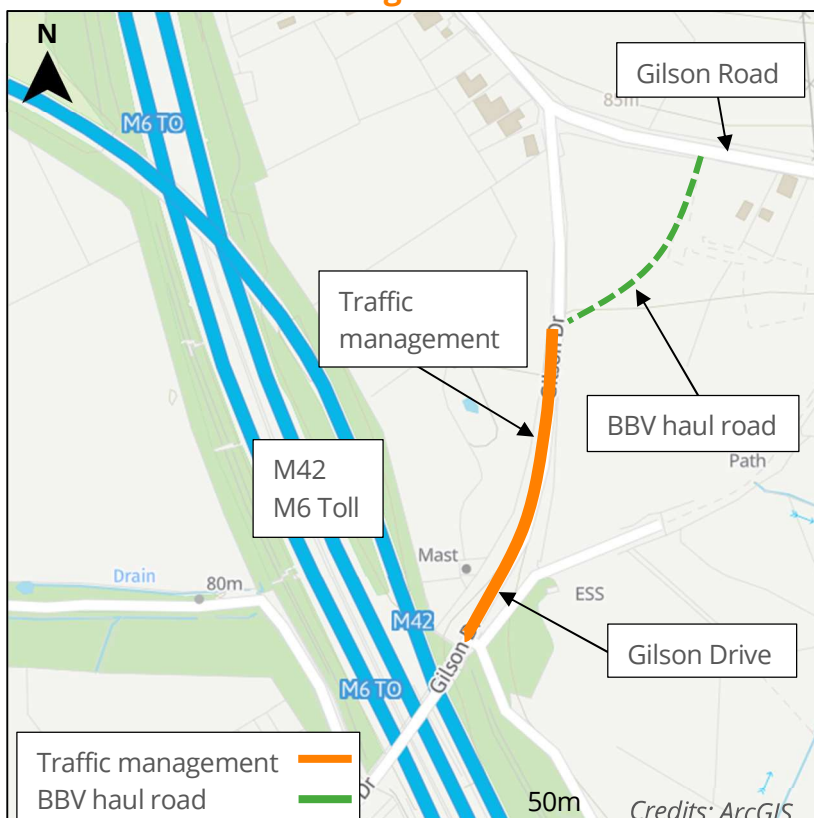

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

The work we will be doing

To continue the preparation of our construction works for the HS2 railway, we need to carry out surveys in the area. These surveys will include inspecting the condition of existing drainage infrastructure using CCTV cameras. Trial hole works will also be completed.

To conduct our surveys safely, we will install two-way temporary traffic lights along Gilson Drive. The traffic lights will be in place from Monday 12 December until Tuesday 20 December. The location of the traffic management is shown in the map below. Our working hours will be 9.30am to 3.30pm, from Monday to Friday.
