

## Notice of overnight traffic management on A4097 Kingsbury Road

November 2022 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

### The work we will be doing

We are constructing haul roads and site accesses within Lea Marston and Curdworth. Haul roads are temporary roads provided within a working area to allow for the movement of construction materials, construction machinery and/or construction staff around the site.

We will be creating an access to our working area off the A4091 Kingsbury Road. To maintain the safety of road users, equestrian and pedestrians, we will install overnight lane closure with temporary traffic lights while we complete these works.

### When the work will take place

We will complete these works from Friday 25 November 2022 to Friday 20 January 2023. Our working hours will be 8pm to 6am.

Temporary traffic lights will be installed each night over this period and removed each morning. We will not work between Friday 23 December to Monday 2 January 2023.

Our workforce can be on-site one hour before and after to set up and secure our equipment.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**

## About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>
