

Alrewas 31 Public Right of Way (PRoW) temporary diversion

The temporary diversion will be place from Monday 28 November 2022.

High Speed Two (HS2) is the new high speed railway for Britain.

Balfour Beatty VINCI (BBV) is working in partnership HS2 Ltd to build the new railway in your area. To support this and ensure the safety of the public we will be diverting Public Right of Way Alrewas 31. The temporary diversion will be in place for two weeks and will not impact the public's use of the local footpath network.
