

Notice of overnight closures on the M42 motorway between junctions 9 to 10

November 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

The work we will be doing

We will be undertaking surveys and completing works to replace a section of safety barrier on the M42 motorway between junctions 9 to 10. To undertake our works safely, we will work with National Highways to:

- Close the M42 northbound carriageway each night from Monday 21 November to Wednesday 23 November 2022.
- Close the M42 southbound carriageway each night from Thursday 24 November to Friday 25 November 2022.

We will install traffic management from 9pm and remove it by 5am each morning.

A signed diversion will be in place (see map on page 2).

If we are not able to complete this work during these closures, we have reserved a contingency of two additional overnight closures.

- M42 southbound carriageway overnight closure - Sunday 4 December from 9pm to 5am.
- M42 northbound carriageway overnight closure - Sunday 11 December from 9pm to 5am.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>
