

Local Business Toolkit – How to access HS2 Opportunities

Links and additional resources

- **HS2 Events** - <https://www.hs2.org.uk/events/> - If you're a local business looking to engage with HS2, then you'll benefit from attending free events run by our supply chain team and contractors when these happen. Do keep an eye on our events page to find relevant opportunities.
- **CompeteFor** - <https://www.competefor.com/hs2/> - CompeteFor is our free-to-register procurement partner. Sign up and make a profile to hear about relevant opportunities which are open for tender.
- **HS2 Pre-procurement Portal** - <https://hs2.bravosolution.co.uk/web/index.html> - Prospective suppliers are encouraged to access details on awarded opportunities and live procurements, as well as giving them a chance to register to participate in future opportunities.
- **HS2 Supply Chain Information** - <https://www.hs2.org.uk/supply-chain/> - For information on our direct and indirect contract opportunities, as well as awarded suppliers and their contact details, do review the supply chain pages of the HS2 website.
