

Notice of M42 M6 eastbound link road overnight closure and diversion

November 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high speed railway in your area.

The work we will be completing

These works are subject to consent. To assist our ongoing construction activities for the M42 M6 link road Viaducts, we will carry out CCTV surveys in the eastbound carriageway on Friday 25 November and Saturday 26 November. The surveys will include inspecting the condition of existing drainage infrastructure using CCTV cameras.

We will also carry out a series of carriageway cleaning operations along the eastbound link road throughout the winter months. This cleaning programme will be in addition to the daily mitigation measures we have in place and will ensure the impact of our working operations on the highway is reduced as much as possible.

We will complete the first of the cleaning operations whilst the eastbound link road is closed for CCTV surveys on Friday 25 November and Saturday 26 November. In addition to this we will complete cleaning works on Monday 19 December.

In order to complete these works safely, we will install overnight closures on the M42 M6 link road eastbound on Friday 25 November, Saturday 26 November and Monday 19 December. The closure will be in place from 9.00pm until 5.00am each night.

Throughout this closure a clear diversion route will be installed. The diversion will follow the M6 southbound until junction 4, via the A446 and A452 southbound. Following this, road users will be able to follow the A45 westbound to the M42. The location of the road closure and diversion is shown on the map on page 2.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route. www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: complaints@hs2-cc.org.uk

Property and compensation
