

Notice of road closure, North Farm Lane

November 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. The health and safety of our workforce and the communities we work within is our priority. Please contact the Helpdesk if you have any further questions relating to our response to the Covid-19 pandemic. You can sign up for regular updates in your local area at www.hs2inyourarea.co.uk.

What are we doing?

In late November, we will be carrying out Ground Investigation (GI) works along North Farm Lane. These works will take approximately one week to complete.

Our GI works will involve surveys and trial holes. These activities will allow us to accurately identify the location of utilities that will need to be diverted while we build HS2.

Unfortunately, as we will be conducting these surveys and trial holes very close to the road along North Farm Lane, which is a narrow road, we will need to introduce a full road closure.

When will these works take place?

A section of North Farm Lane will be closed 24-7 from Wednesday 30 November to Wednesday 7 December 2022.

These dates may change due to conditions outside of our control. Please refer to the HS2 website regularly to check for any changes and updates.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation
