Notification of Traffic management on Lanchester Way, Castle Bromwich

November 2022 | www.hs2.org.uk

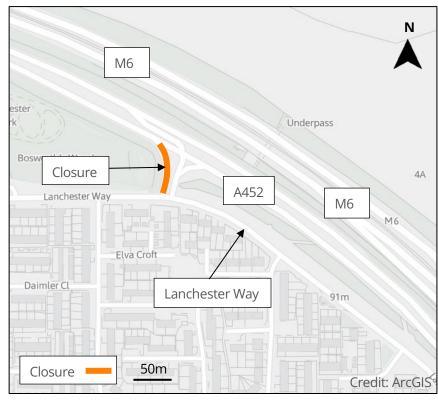

The work we will be doing

To assist our ongoing construction activities in the local area, we need to complete CCTV drainage surveys near the slip road between Lanchester Way and A452 on Monday 12 December. In order to complete these works safely, we will install a closure to the slip road and a clear diversion route throughout these works. See the below map for closure and diversion locations.

Our working hours will be 8.00am – 6.00pm Monday to Friday and 8.00am – 1.00pm on Saturdays. We may be on site one hour before and one hour after to set up and take down equipment

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: https://www.groundwork.org.uk/hs2funds

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route. www.gov.uk/government/publications/hs2-residents-charter
