

Notice of traffic management – Gorsey Lane, Coleshill

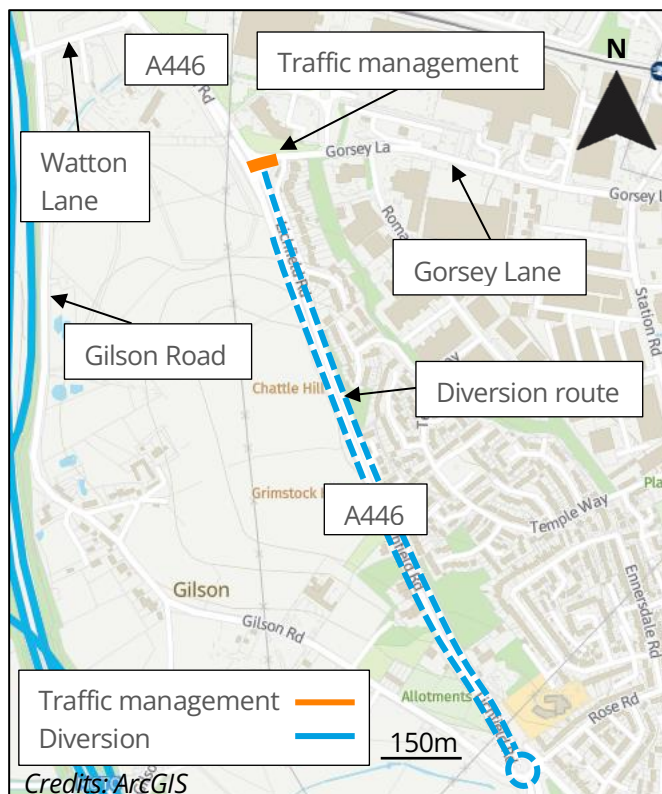

November 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high speed railway in your area.

The work we will be completing

To continue to prepare for the construction of the HS2 railway, we need to carry out utility works on Gorsey Lane, near the A446.

In order to complete these works safely, we will install a single lane closure along a short section of Gorsey Lane, from Monday 12 December until Friday 23 December. The traffic management will be in place 24 hours a day. The lane closures will block road users from turning right from Gorsey Lane, northwards on the A446. Therefore, throughout the works, there will be a diversion route that will take road users southbound along the A446, around the roundabout, to follow the A446 northbound.

Duration of works

Single lane closure from Monday 12 December to Friday 23 December on Gorsey Lane

Traffic management will be in place 24 hours a day

What to expect

Diversion route to be in place throughout the lane closure

Working hours are 8.00am until 6.00pm Monday to Friday and 8.00am until 1.00pm on Saturdays

Our workforce may be onsite one hour before and our hour after to set up and take down equipment
