

Notification of traffic management on the B4114, Coleshill

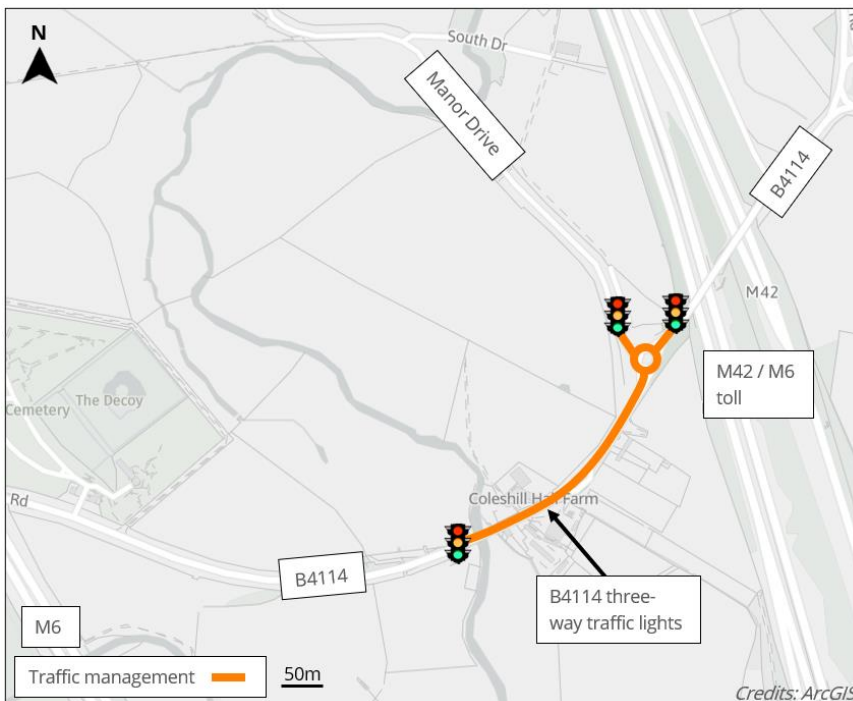

November 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high speed railway in your area.

The work we will be doing

To continue our preparation for the construction of the HS2 railway, we will be completing drainage and lighting survey works. For us to complete these works safely, we will implement a three-way traffic light system on the B4114 Birmingham Road.

The traffic lights will be in place from Monday 5 December until Friday 9 December and the location of the traffic lights is outlined below. The traffic lights will be in place from 9.30am until 3.30pm each day. However, our workforce may be on site 1 hour before and 1 hour after to set up and take down equipment

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
