Dear neighbour,

Over the coming months we'll be continuing to prepare the way for HS2. This is an update on work that our team will be doing on the Acton rail track embankments. We'll be doing some general work to remove vegetation and hand digging trial holes at locations on the embankments. For safety reasons, the work needs to be carried out overnight during a railway closure when there are no trains running.

The work will take place on

- Overnight Saturday 12 Nov/Sunday 13 Nov between 21.00-09.00
- Overnight Sunday 13 Nov/Monday 14 Nov between 21.00-09.00
- Overnight Saturday 19 Nov/Sunday 20 Nov between 21.00-09.00
- Daytime Sunday 20 Nov between 9.00-21.00
- Overnight Saturday 26 Nov/Sunday 27 Nov between 21.00-09.00
- Overnight Saturday 10 Dec/Sunday 11 Dec between 21.00-09.00

We do not expect our work to cause any significant disruption but wanted to keep you updated. If you have any questions or concerns, please email **NRHS2@networkrail.co.uk** or call our 24-hr national helpline on **03457 11 41 41**. If any of our plans change, we'll advise you via the HS2 website.
