

# Notice of utilities diversion works in Gordon Square

December 2022 | [www.hs2.org.uk](http://www.hs2.org.uk)

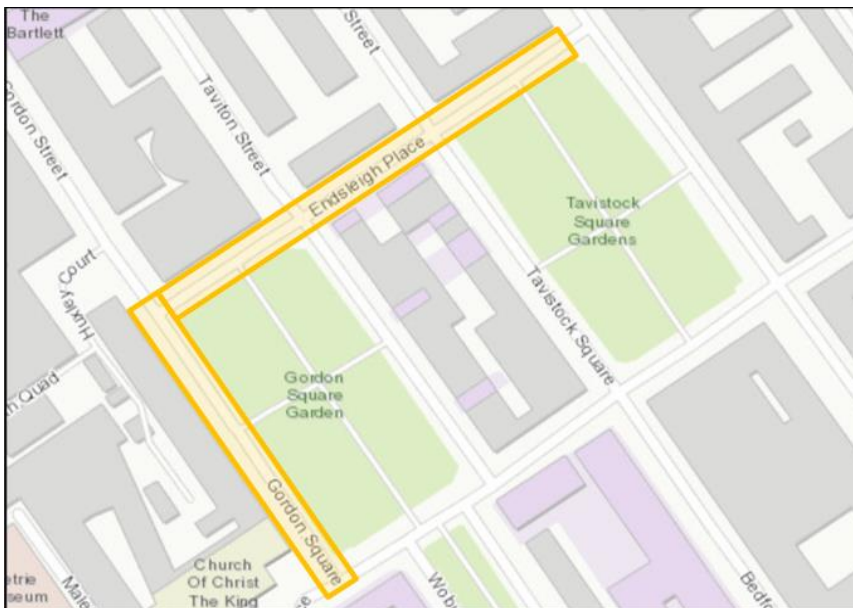

High Speed Two (HS2) is the new high speed railway for Britain. Mace Dragados is the Construction Partner building the new HS2 station in Euston.

**Utilities duct installation works will take place during December on Gordon Square, Endsleigh Place and Tavistock Square.**

## Utilities diversion works

As part of HS2 works, new routes for utilities need to be created ahead of the removal of old services. From 5th December new utilities ducts and access chambers will be constructed as indicated below.

Work areas will be surrounded by temporary fencing and have traffic management measures in place. We will minimise noise using acoustic blankets on fencing surrounding the works when we are breaking out the road surface.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434**
