

Update: notice of environmental works to land off Toldish Lane, Great Haywood

November 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty and its appointed subcontractors are working on behalf of HS2 Ltd to carry out early environmental works between the West Midlands and Crewe.

What we are doing

We have now completed the construction of the ecological mitigation ponds including the planting of the aquatic plants and making progress creating the surrounding habitats.

The grassland habitat has been ploughed and seeded, and the next habitat to be created is the woodland habitat. Tree planting will be on going throughout the winter.

The planting on this land will form part of the HS2 Green Corridor. The Green Corridor will run alongside the railway, creating a network of bigger, better-connected, climate-resilient habitats and new green spaces for people to enjoy the Green Corridor is the largest single environmental project in the UK.

When the work will take place

We will start the work to create the woodland habitat on 1 December 2022. This work will be ongoing into next year and the timeline for the remaining works is shown below:

- Woodland creation – December '22 to January '23
- Bird and bat box installation – December '22 to January '23
- Demobilisation – late-January '23

Throughout 2023 the habitats will be monitored and maintained, with regular visits to carry out tree and hedge cutting

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

1 December 2022 to late-January 2023

(excluding weekends) daytime working.

Please note that the time and date in this notification **may** be subject to change.

What we will do

Carry out the work in compliance with the Code of Construction Practice.

Inform you in advance of any changes to the dates and working times shown.

What to expect

Some low-level noise

Movement of vehicles on/off Toldish Lane.

Notification

What to expect

The equipment we use may generate some low-level noise, but we will be working during the day to minimise disruption to local residents. We will use the current access track to bring the machinery on the land, you may notice some queuing on the local road while we do this. The map below shows where we will be working.

Keep up-to-date with your local community website

To find out more about what's happening in your area and receive regular email updates, you can sign up to our local community websites at: www.hs2inyourarea.co.uk.

About our Community and Business Funds

Two funds are now open for applications from local communities and businesses affected by the construction of HS2. They are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF). £5 million has been allocated to the funds for phase 2a of the railway.

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation

You can find out about HS2 and properties along the route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you can claim compensation at:

www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting the HS2 Helpdesk. For more details on our complaints process, please visit: www.hs2.org.uk/in-your-area/contact-us/how-to-complain/
