Update: extended hours for grouting at Mandeville Road site

October 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

You can sign up for regular updates in your local area at www.hs2inbrentandealing.co.uk

What we are doing

We wrote to you in September to let you know that we would be continuing our grouting on the lower level of the Mandeville Road site seven days a week. To view this notice please click [here](#)

From 7 November to 4 December 2022, we will extend our working hours for grouting from 8pm until 10pm Monday to Friday.

This extension will allow us to run two shifts a day, which will help us to maintain our programme, and mitigate the effects of the recent and expected heavy rain on our productivity.

We would like to apologise in advance for any disruption or inconvenience this may cause. Every effort is being taken to ensure that these works are carried out in the least impactful way. We will ensure that disruption is kept to a minimum.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

December 2022

Mon to Fri - 8am to 10pm

What to expect

You will see a small rotary piling rig about 15 metres tall. The rotary action generates some noise as it drills into the ground. Site lighting until 10.30pm

What we will do

We will use localised noise reduction fencing where possible to help keep the noise impact to a minimum.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>
