

Update: overnight road closure and resurfacing works on Atlas Road

December 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

Overnight road closure to resurface Atlas Road

We will be carrying out essential works on Atlas Road to repair and relay a new road surface. This work is required to ensure the road is safe for the movement of vehicles. Due to weather conditions, we were not able to complete these works on Sunday 11 December, so we require an additional night to complete them.

Works will be carried out overnight from 7pm Friday 16 December from 7pm to 00am Saturday 17 December 2022.

Temporary Road changes during these works

These works will take place during an overnight road closure from the Atlas Road exit at the roundabout to the entrance of the bus garage on Atlas Road (as shown on the following page).

Outside of the closure times (7pm to 00am), Atlas Road will be open as normal. The pedestrian footpaths will not be affected by the closure.

To facilitate TFL bus movements during the closure, TFL buses leaving the depot will be diverted along the HS2 logistics bridge on Atlas Road, over the Grand Union Canal, through the Willesden Euroterminal site and down Channel Gate Road. TFL Buses accessing the depot will do this journey in reverse. A temporary traffic light system will be in place on Old Oak Lane during the closure to aid two-way traffic for the buses along Channel Gate Road.

TFL buses have been advised that they use care and caution when using the diverted route and maintain a speed limit of 5mph when travelling through site and up and down Channel Gate Road.

We do not anticipate this work to be disruptive, but you may notice additional vehicle noise on Channel Gate Road during the closure.

Dates mentioned in this notification may change, we will keep you updated via post and on the HS2 interactive map at <https://www.hs2.org.uk/in-your-area/map/>

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
