Update: utility surveys in your local area

December 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

Works planned on Lynwood Road

From 9 to 20 January 2023 we will be carrying out a series of ground investigations on Lynwood Road. The surveys will take place between 8am and 6pm Monday to Friday and 8am to 1pm, Saturdays.

The ground investigations will consist of digging a temporary trench to confirm the location of utilities under the road surface. The investigations will help us to understand and aid the design of the new railway and the best ways to protect or divert any utilities during construction.

How this might affect you

To ensure the safety of the public and our staff, temporary changes will be in place on Lynwood Road. We will have a temporary partial road closure in place for the duration of these works. A clearly signed diversion route will be in place along

Access for residents will be maintained at all times. You may need to wait for a short period of time to allow for a safe route.

You can view a map showing the location of these works on the next page. Please note the dates for the surveys may change. You can view our latest works updates at <https://www.hs2.org.uk/in-your-area/map/>

Speak with our local engagement team

Our local engagement team is happy to arrange a time to speak with you via phone if you have any questions about the surveys.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
