

Survey equipment lane closure, A413, Little Missenden, Buckinghamshire

December 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. This notice is to inform you of a temporary lane closure on the A413, Little Missenden, to install monitoring equipment for surveys.

How will these works affect you?

A short section of the inside lane on the A413 dual carriageway towards Aylesbury will be temporarily closed to traffic. We will use traffic management to narrow the lane, leaving the second lane open and allowing traffic to flow whilst we install monitoring equipment.

The works will take place:

- Monday 9 January to Tuesday 10 January 2023
- From 9.30am to 3.30pm
- Access to Mop End Lane will be maintained at all times

We aim to meet our planned working dates, but these can change due to the impact of the weather or programme changes. We will do all we can to keep you updated.

What will we be doing?

A small team of surveying engineers will use non-intrusive equipment to install 17 levelling bolts along the edge of the road A413. The levelling bolts are small and not very noticeable. To do this safely, a small section of the inside lane on the A413 will be temporarily suspended.

Why are we doing these works?

Instrumentation and monitoring surveys are carried out along the highway as it is a hard surface that provides an accurate reading, unlike soil or softer ground which can move. We need to obtain this above surface as well as below ground, from vent shaft to vent shaft, to ensure correct alignment.

Please see the location map of these works on page 2.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

Monday 9 January to Tuesday 10 January from 9.30am to 3.30pm.

What to expect

- Single lane closure on A413 dual carriageway heading towards Aylesbury
- Operatives visible and working in the area

What we will do

The closure will be in place between 9.30am and 3.30pm to avoid peak times

Reopen the lane as soon as we are able

Keep you updated if plans change

Notification

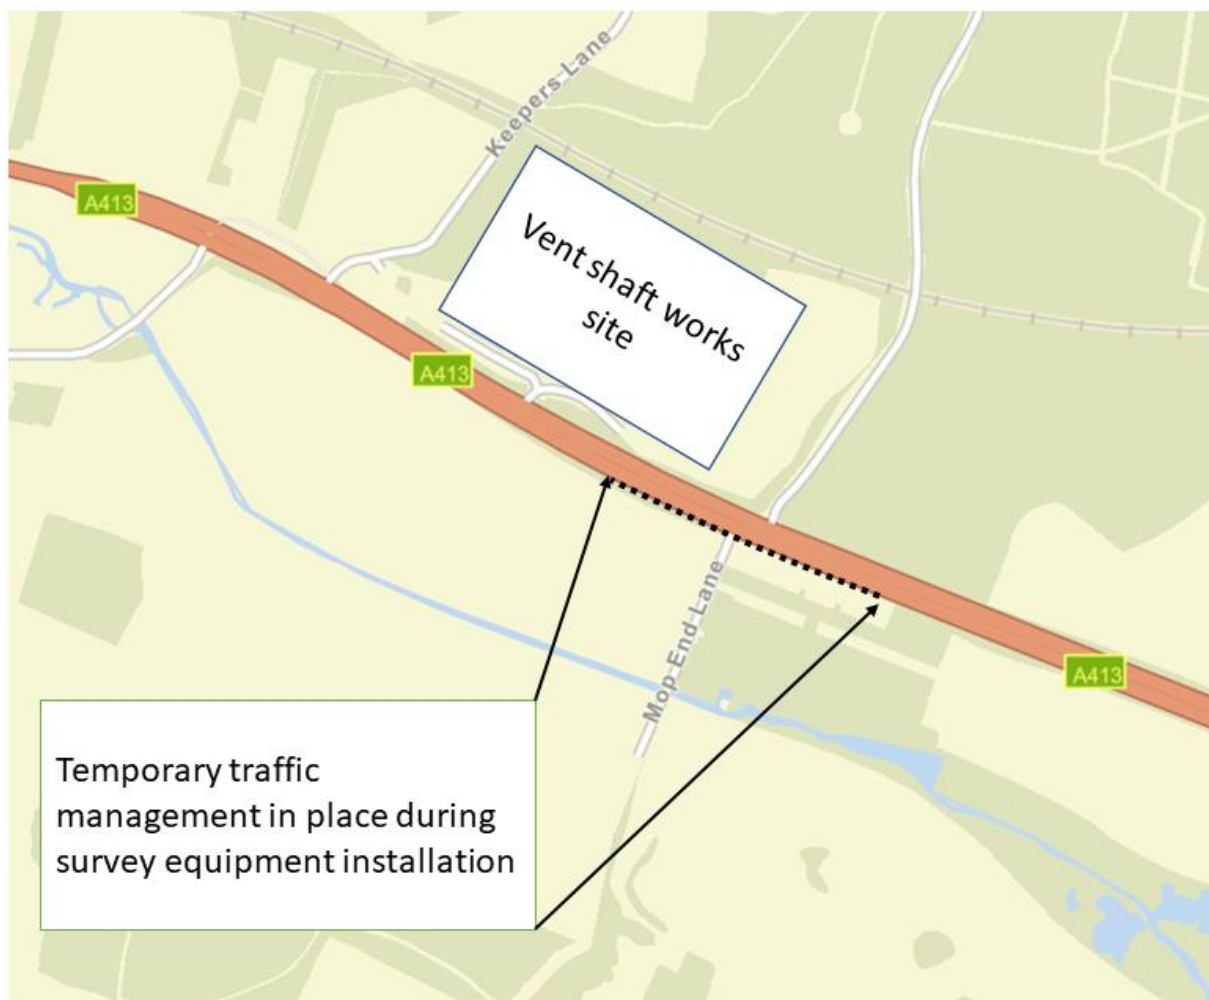

Avoiding peak times

The team may be visible in the area early in the morning. The lane closure and diversion will not come into effect until 9.30am and will end at 3.30pm after which, the road will be reopened, and traffic management removed.

Map of works location

The map below shows the location of the temporary lane closure for motorists.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:
www.gov.uk/government/collections/hs2-property
Find out if you're eligible for compensation at:
www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team. For more details on our complaints process, please visit our website:
www.hs2.org.uk/how-to-complain

Contact Us

Contact our HS2 Helpdesk team all day, every day of the year on:
