

Notice of generator installation works, near B4118 Birmingham Road

December 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high speed railway in your area.

The work we will be completing

BBV have been mobilised in locations to the north of B4118 Birmingham Road since 2020. As part of our continued work in this location and to prepare for construction works in Water Orton, BBV will install generators to the north of the B4118 Birmingham Road.

These generators will temporarily power our construction activity in the area and will be in operation until the permanent power source is in place. The generators are planned to be in use until the end of 2023.

The works taking place will include working platform construction, drainage and ducting works and the installation of the generators. Our working hours are 8.00am until 6.00pm Monday to Friday and 8.00am until 1.00pm Saturdays. Our workforce may be on site one hour before and one hour after to set up and take down equipment. Following the installation, commissioning will take place, with the generators expected to operational from April 2023. The generators will be in operation 24 hours a day.

As part of the mitigation work for the generators, BBV will install a container wall around the east and southeast of the generators to reduce the impact of noise. We are also continuing to explore further mitigation measures that will be put in place to reduce the impact to nearby residents as much as possible. BBV will apply the Best Practicable Means of noise, vibration and emission control.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation

You can find out about HS2 and properties along the route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you can claim compensation at:
