

Update: installing monitoring equipment on your building

December 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

Installation of monitoring equipment

We previously notified you about installing monitoring equipment on your building to survey ground movement. This was planned for 5 to 16 December but has now been rescheduled for 9 to 20 January 2023.

A small team of two or three operatives will abseil from the roof and attach small prisms (like the one pictured below) to the side of the building with a small hand drill. We don't expect these works to be noisy or disruptive.

We will use the communal parts of the building to access the roof but will not require access to your private flat. Our team will all wear HS2 identity cards. We will complete installation in about two to three days per building.

Once installed, our survey team will visit to take regular readings and carry out any required maintenance on the instruments. Our team use a tripod like the one pictured below to survey the prisms from the street. This equipment collects monitoring data but does not take images, so your privacy is protected.

Buildings are designed to cope with ground movement, which can occur for a variety of reasons, ranging from the changing seasons through to nearby major construction. It is standard practice when carrying out major construction works to monitor those buildings closest to the worksite for ground movement. This enables us to ensure any movement remains within a safe range. Please note, we will only ever carry out works if it is safe to do so.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email HS2enquiries@hs2.org.uk

Notification

Duration of works

9 to 20 January

Mondays to Fridays, 9am to 4pm

Installation completed in two to three days per building

What to expect

Operatives abseiling from roof of the building

Minimal noise from drilling

No noise once installed

Surveyors scanning monitoring equipment from the footway or carpark

What we will do

Keep all sites safe and secure

Keep you informed of any updates to this notice

Circular Prism

Tripod

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation

You can find out about HS2 and properties along the route by visiting: www.gov.uk/government/collections/hs2-property

Find out if you can claim compensation at: www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting the HS2 Helpdesk. For more details on our complaints process, please visit: www.hs2.org.uk/in-your-area/contact-us/how-to-complain/
