

Extended hours for TBM material storage

December 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

You can sign up for regular updates in your local area at hs2inhillington.co.uk.

HS2 & SCSJV Information Hub

Our Community Information Hub is open for drop-ins every **Monday** and **Wednesday** from **2pm to 4pm**.

Our Community Engagement team is available to answer your questions about the project and the works in Hillingdon and Northolt. You can find us in the portacabin on the right of West Ruislip Portal entrance on Ickenham Road.

What we are doing

Our Tunnel Boring Machines (TBMs) have started their journey from the West Ruislip Portal to Greenpark Way Ventilation Shaft as part of the construction of the new HS2 line linking Euston to Birmingham. They have not yet reached their full operating speed but are now producing more material as they dig.

The soil is currently being moved from our West Ruislip portal site by lorries via road. In 2023, this output will be transported by a conveyor running from the portal to our Southern Sustainable Placement Area (SSPA).

The conveyor is due to come into operation by the end of February 2023. Until then, we need to move more material away from the West Ruislip portal to allow the TBMs to continue their work. Some of this material will be temporarily stored on our sites in the local area. At present, the only way we can do this is by using lorries to transport the soil from the TBMs.

As a result, there will be additional lorry movements on roads around West Ruislip from **19 December to 31 March 2023**. These additional movements will require 24/7 working starting in January 2023 to ensure that we inconvenience residents using local roads as little as possible during the day.

Please see the following pages for more information about the location and the affected roads during this period.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

19 December 2022 to 8 January 2023 from 7am to 10pm Monday to Saturday

9 January 2023 to 31 March 2023, 24/7

What to expect

Extended working hours and additional staff on site outside core hours

Gradual increase of soil movement within the site area

Use of excavators, dumpers, roller, treatment tractors and tower lights

What we will do

Ensure that lights face away from residential properties

Continue to monitor our working methods and minimise disruption to the local community

Advise our staff to be mindful of our neighbours

Provide updates at HS2inHillingdon.co.uk

Extended hours for TBM material storage

Notification

How these works will affect you

From **19 December 2022** to **8 January 2023**, we will be extending our working hours on our site near MSD building north of the Chiltern Line railway, west of Breakspear Road South from 7am to 10pm, Monday through Saturday. This is an extension of our core working hours of 8am to 6pm Monday to Friday and 8am to 1pm on Saturdays.

From **9 January** to **31 March 2023**, the TBM material will be delivered 24/7 to our sites near MSD building north of the Chiltern Line railway and to Gate 1 on Harvil Road.

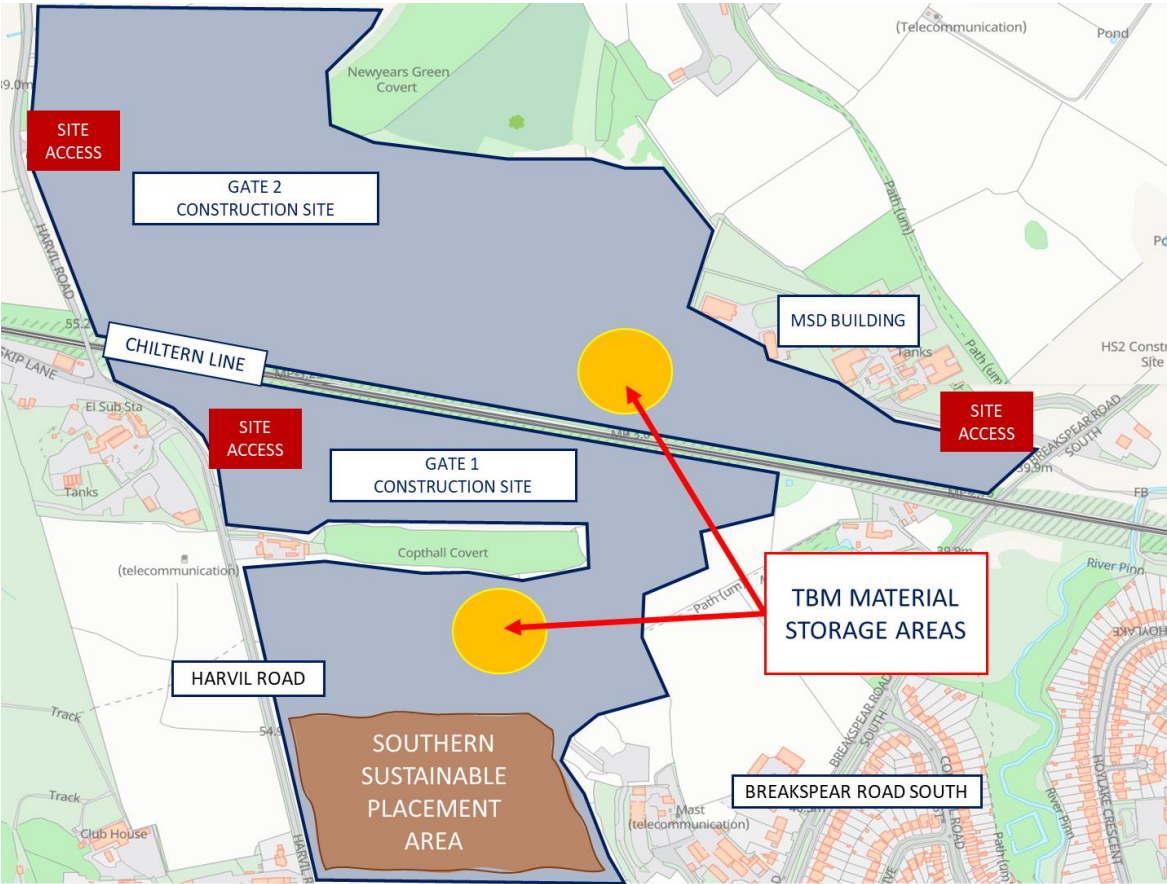

We will only carry out activities agreed with the London Borough of Hillingdon and will adhere to the agreed working hours, noise and vibration limits.

We would like to apologise in advance for any disruption or inconvenience this may cause. Every effort is being taken to ensure that these works are carried out in the least impactful way.

We will ensure that disruption is kept to a minimum.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:
www.gov.uk/government/collections/hs2-property
Find out if you're eligible for compensation at:
www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team. For more details on our complaints process, please visit our website:
www.hs2.org.uk/how-to-complain

Contact Us

Contact our HS2 Helpdesk team all day, every day of the year on:
