

Notice of Night-time Closure of A452 Northbound

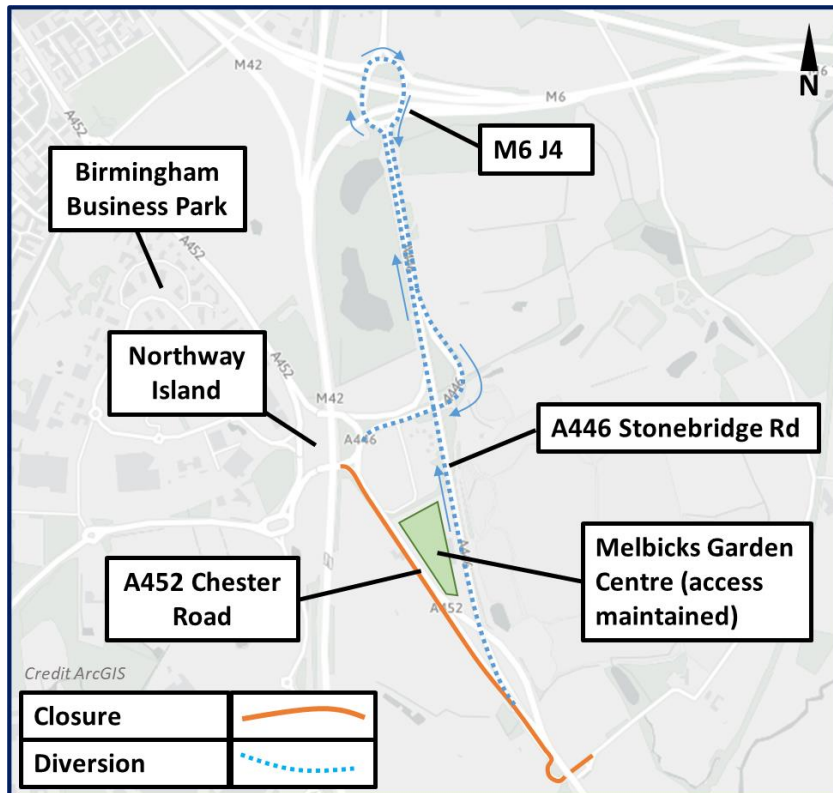

December 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

The work we will be doing

To build the new railway, the A452 Chester Road between the A446 and the Northway Island is being significantly remodelled. Most of the new northbound carriageway is now operational but we need to integrate it with the rest of the network by installing new curbs, lighting columns cables and signage. To do this safely we will close the road each night at 8pm and reopen the road at 6am the following morning. Starting on Monday 16 January until Saturday 21 January then again from Monday 23 January until Saturday 28 January. A fully signed diversion will be in place via Junction 4 of the M6. (see map below)
