High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

## The work we will be doing

To progress HS2 works, we will be carrying out utility diversion works at Rugby Road from 9 January 2023 to 3 February 2023.

Road closure will be required to ensure the works can be carried out safely.

## When will these works be taking place?

A section of Rugby Road will be closed from **9 January 2023 to 3 February 2023** to minimize disruption to peak traffic. A fully signed diversion will be in place during this closure. (Please see map below).

## About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>
