

Notice of temporary road closure, Ladbroke Hill Lane

January 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. The health and safety of our workforce and the communities we work within is our priority. Please contact the Helpdesk if you have any further questions relating to our response to the Covid-19 pandemic. You can sign up for regular updates in your local area at www.hs2inyourarea.co.uk.

What are we doing?

In January, we will be carrying out topographical surveys along Ladbroke Hill Lane. These surveys will help us finalise the design of the new railway and are expected to take five days to complete.

A topographical survey is an exercise undertaken by land surveyors using highly specialised survey equipment. These surveys provide detailed maps of land, identifying both natural and man-made features within a specified area.

In order to carry out these surveys, our staff will be working directly on the carriageway. For reasons of safety, Ladbroke Hill Lane will be temporarily closed and a small section of the A423 Banbury Road, at the junction with Ladbroke Hill Lane, will be under two-way traffic lights for the duration of the works.

Access to properties within the closure area will be provided. Walkers on footpath SM90, the Harry Green Way will also be permitted through our closure area.

When will these works take place?

A section of Ladbroke Hill Lane will be closed from Monday 23 January to Friday 27 January 2023, between 9am and 3pm. Traffic lights will be in place along a section of the A423 in this area to enable the works to take place.

These dates may be subject to change due to circumstances outside of our control, such as weather. This work is also subject to final local authority approvals.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

Ladbroke Hill Lane will be closed for 5 days from Monday 23 January to Friday 27 January 2023.

Working hours:

Monday to Friday
9am – 3pm

What to expect

Daytime road closures to carry out topographical surveys.

Two-way traffic nights on the A423 at the junction with Ladbroke Hill Lane.

Varied activities with both quiet and busier periods.

What we will do

Manage any environmental impacts, such as traffic and noise.

Respond promptly to any complaints and take appropriate action.

Access to properties and footpath users will be maintained.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:
www.gov.uk/government/collections/hs2-property

Find out if you're eligible for compensation at:
www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team. For more details on our complaints process, please visit our website:
www.hs2.org.uk/how-to-complain

Contact Us
