

## Updated notice changes to work on Saltley Viaduct - Birmingham

June 2023 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new railway in your area.

### Saltley Viaduct

We previously informed you that utility diversion works would be taking place along Saltley Viaduct. These works require a full closure of Saltley Viaduct from 10.00pm – 6.00am, along with local footpath diversions and temporary two-way traffic signals from 9.30am – 3.30pm Monday to Friday.

Unfortunately, these works will take longer than originally expected so we will need to extend the duration of the traffic management. We now expect the two-way traffic signals and pedestrian diversion to be in place until the end of July.

We will also need to continue to close Saltley Viaduct overnight until the end of September 2023 as we will need to divert another utility once these current works are complete.

### Pennine Way

On Monday 3 July, we will be continuing with our works along Pennine Way. For safety reasons these works will require us to use a stop and go sign to manage traffic in and out of Saltley Business Park between 8.00am and 4.00pm. Access will be maintained as usual during these works.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**

### Duration of works

Works are ongoing in the Saltley area. Details of affected areas are shown on this page with a helpful diversion map on the following page.

### What to expect

Road closures and temporary traffic signals with clear diversion routes. We may also be on site up to one hour before and one hour after this for site set up and shut down.

### What we will do

Ensure that our work areas are safe and secure.

## About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

# Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

## Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.  
[www.gov.uk/government/publications/hs2-residents-charter](http://www.gov.uk/government/publications/hs2-residents-charter)

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:  
[www.gov.uk/government/collections/hs2-ltd-residents-commissioner](http://www.gov.uk/government/collections/hs2-ltd-residents-commissioner)

You can contact the Commissioner at:  
[residentscommissioner@hs2.org.uk](mailto:residentscommissioner@hs2.org.uk)

## Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:  
[complaints@hs2-cc.org.uk](mailto:complaints@hs2-cc.org.uk)

## Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:
