Update notice of site entrance works at Old Oak Common

December 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

Works at Old Oak Common Site Entrance

We previously notified you about works happening near to the Old Oak Common Station site entrance. We are writing to you to advise that we have completed the temporary surfacing works and to provide a further update.

Works are ongoing intermittently near to the site entrance until Friday 23 December. The remaining works include installing internal hoardings and a gate. The gate is expected to be installed on Monday 19 December and will be used to secure the site. Please see the map on page 2 that shows the approximate location of the works.

The working hours for these activities will take place during our working hours of 8am to 6pm Monday to Friday, and 8am to 1pm Saturday. There will be no noisy works before 9am or after 5pm.

Although some noise can be expected from these works, we will be using hand tools, where possible, to minimise disruption to nearby residents.

We anticipate further works taking place near the site entrance next year and we will provide more information on these works nearer the time.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: https://www.groundwork.org.uk/hs2funds

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route. www.gov.uk/government/publications/hs2residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: www.gov.uk/government/collections/hs2-ltdresidents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk
