

Notice of traffic management on Watling Street, Lichfield

December 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

The works we will be doing

To enable the construction of the new railway we will divert utilities on and around Watling Street. This will firstly require a lane closure followed by a temporary closure of a section of Watling Street.

When the works will take place

The works will take place from Wednesday 4 January until Sunday 5 February. To carry out our works safely, we will install a lane closure managed by temporary traffic lights for one week, followed by a road closure for four weeks.

- Temporary traffic lights will be in place from Wednesday 4 January to Sunday 8 January 2023.
- Temporary closure of Watling Street will be in place for four weeks from Monday 9 January to Sunday 5 February 2023.

The traffic lights and road closure will be in place 24 hours a day.

Our working hours will be from 8am until 6pm, Monday to Friday. Our team may work on weekends, Saturdays 8am until 1pm and Sundays 8am until 6pm (subject to consent).

Our workforce can be on-site one hour before and after to set up and secure our equipment.

Access to properties along Watling Street will be maintained.

Where we will be working

The map on the following page details the location of the traffic lights, road closure and the signed diversion route.
