

Notice of Lane Closure on A446 Slip Road

January 2023 | www.hs2.org.uk

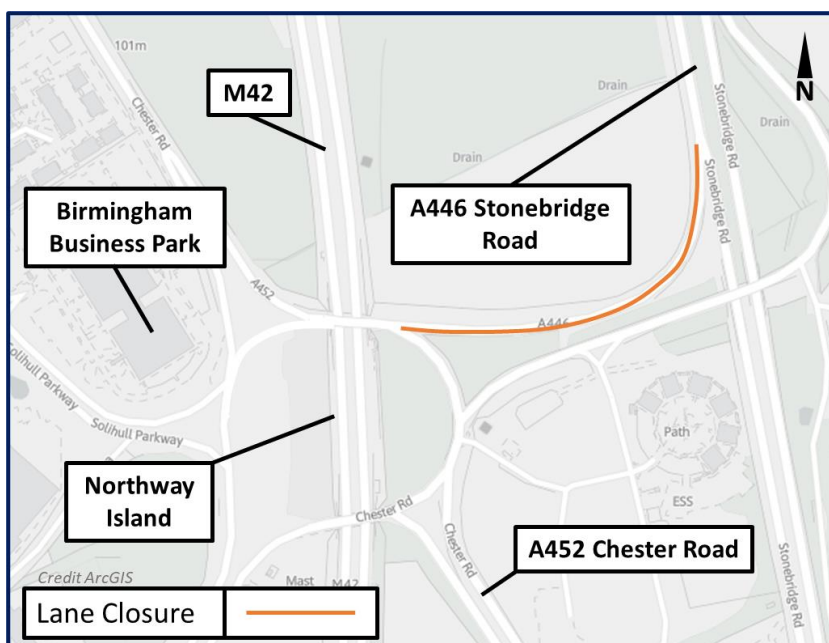

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area

The work we will be doing

HS2 is committed to minimising and compensating for the environmental impact of our works. That's why we've put an extensive environment programme in place, including our Green Corridor alongside the railway, as part of the green corridor a new woodland is being planted between the M42 motorway and the A446 near Birmingham Business Park.

To allow safe access into to this area we will need to temporarily close a lane on the slip road that connects the Northway Island with the northbound carriageway of the A446 Stonebridge Road. The slip road will be closed on 27 February until 3 March but to avoid disruption at the busiest times it will only be closed from 9:30am until 3:30pm.

Location Plan

Duration of works

27 February until 3 March between 9:30am and 3:30pm.

What to expect

The slip road will be reduced from two lanes down to one lane.
