

Notice of A46 Kenilworth Bypass Lane and slip road night closures

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

The work we will be doing

We will be carrying out our overnight works over in two phases

Phase 1, Northbound

14 February to 25 February 2023.

Time - 8pm to 6am

We will be working overnight Monday to Friday for two weeks. Our works will involve reducing the lanes on the A46 to a single lane on the northbound carriageway between; the Thickthorn Interchange (Leamington) and the Stoneleigh Junction. There will be no restrictions in place over the weekends.

This is to enable verge management, ahead of installing the temporary safety barrier later in this spring. We will also carry out survey and inspection work of the road surface. **See map 1**

Phase 2, Southbound

20 February to 25 February 2023.

8pm to 6am

The Northbound works will continue during phase 2 with the addition of southbound works. Our works will involve reducing the lanes on the A46 to a single lane on the southbound carriageway between; Festival Island (A45) and Thickthorn (Leamington). We will need to close the southbound slip road onto the A46 from the Stoneleigh junction. There will be a full diversion in place heading north to Festival Island (A45) and returning southbound on the A46. **See map 2**

Duration of works

Works will be carried out overnight Monday to Friday nights only

Phase 1, northbound:
14 February to 25 February 2023, 8pm to 6am

Phase 2, southbound:
20 February to 25 February 2023, 8pm to 6am

What to expect

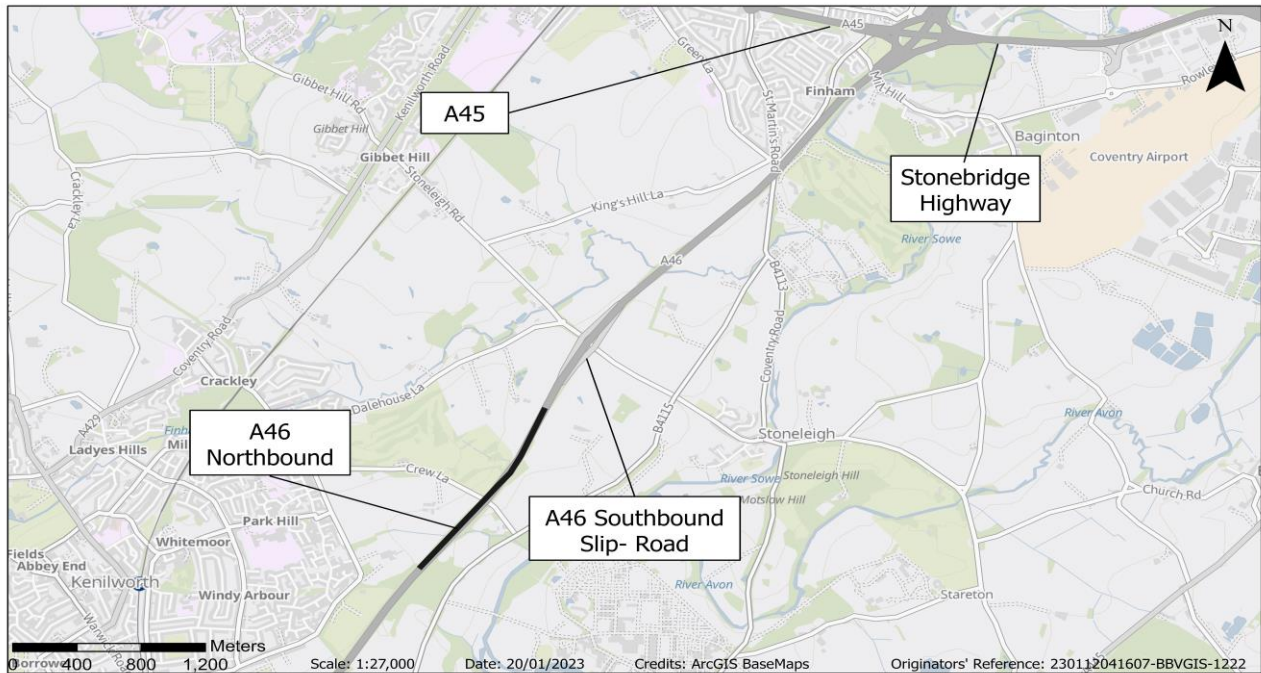

Some disruption to travel times

Fully signposted diversion will be in place

About our Community and Business Funds

Two funds are now open for applications from local communities and businesses affected by the construction of HS2. They are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF). £5 million has been allocated to the funds for phase 2a of the railway.

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation
