

Ground monitoring equipment installation behind Lawn Close

January 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

You can sign up for regular updates in your local area at hs2inhillington.co.uk.

What we are doing

We will be carrying out the installation of surveying equipment to measure any ground movement related to the tunnel boring machines. We will use a hammer to install survey anchors into the ground in the areas shown in the map below.

A barrier will be placed around the survey anchors. This work will take place during the week commencing 30 January and will take approximately two hours. The anchors will remain in place for approximately two years.

Please be assured that our ground movement assessments have indicated that tunnelling will cause minimal or no damage to properties in this area and that HS2 is responsible for any damage caused to your house as a result of our works. Further information is available at <https://www.hs2.org.uk/in-your-area/local-community-webpages/hs2-in-hillingdon/tunnelling-works-in-hillingdon/>

We would like to apologise in advance for the disruption or inconvenience this may cause. Every effort is being taken to ensure that these works are carried out in the least impactful way. We will ensure that disruption is kept to a minimum.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
