

## Notice of construction works on the Birmingham & Warwick Junction Canal

January 2023 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. We are writing to make you aware of the next stage of work that will be undertaken by National Grid on behalf of HS2.

### What are we doing

In order to construct the railway we need to divert a number of high voltage electricity cables that cross the Birmingham and Warwickshire Canal near Nechells. National Grid has asked to divert an existing high voltage cables along the towpath of the Birmingham & Warwick Junction. We need to replace an existing cable bridge which crosses the canal as indicated on the map. As a result of this work an existing cable bridge over the canal will be demolished and a new cable bridge will need to be built.

To enable the work to be completed some vegetation clearance will be required this has been agreed in advance with both the Canal and Rivers Trust and Birmingham City Council. Once this has taken place we will carry out the demolition of the old cable bridge and construct the new one. We will then install and test the high voltage cables, once they have been installed on the new cable bridge.

### How will this affect me

Work on the canal towpath will be between the hours of 8am to 5pm on weekdays and 8am to 1pm on Saturday.

**There will be closures on the canal towpath but suitable diversions will be signed and traffic marshals on site to advise members of the public.**

**Access will be maintained for local businesses & residents to the surrounding area at all times.**

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**

### About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

# Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

## The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at [www.gov.uk/government/collections/hs2-ltd-residents-commissioner](http://www.gov.uk/government/collections/hs2-ltd-residents-commissioner)

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: [residentscommissioner@hs2.org.uk](mailto:residentscommissioner@hs2.org.uk)

## Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: [complaints@hs2-cc.org.uk](mailto:complaints@hs2-cc.org.uk)
