

Notice of temporary traffic lights on Gilson Road, Coleshill

January 2023 | www.hs2.org.uk

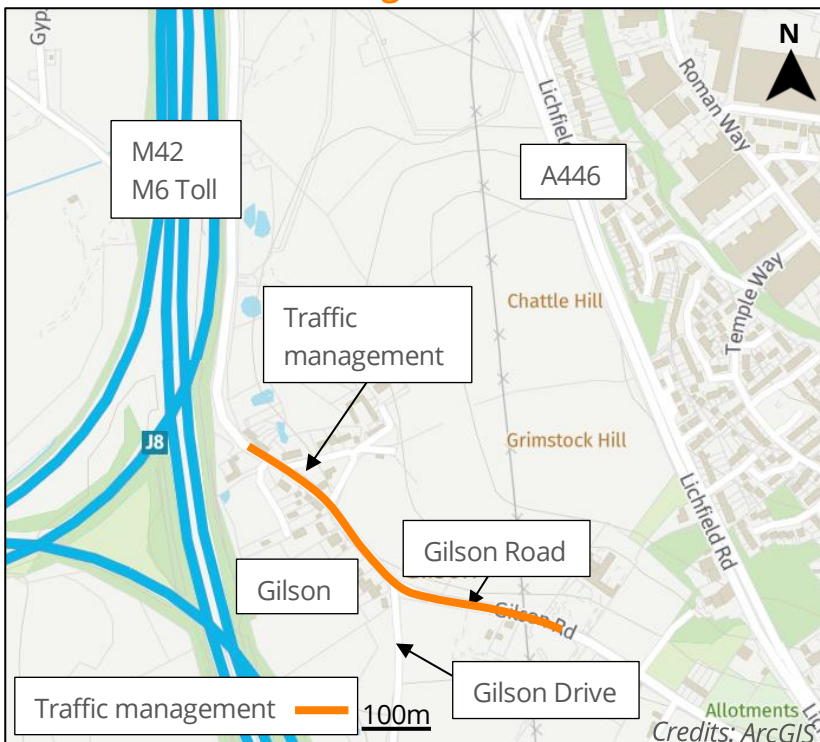

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

The work we will be doing

To continue the preparation of our construction works for the HS2 railway, we need to carry out surveys in the area. These surveys will include inspecting the condition of existing drainage along Gilson Road using CCTV cameras.

To conduct our surveys safely, we will install two-way traffic lights along Gilson Road. The traffic management will be installed on a rolling system, covering 150 metre sections at a time, on Monday 30 January and Tuesday 31 January 2023. The location of traffic management is shown on the map below. Our working hours will be 9.30am to 3.30pm on both days.
