

Overnight road closure on Albert Street

January 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

Overnight road closure - 19 and 20 January

As part of the works on Parkway to strengthen and divert utility services ahead of tunnelling works, we need to carry out surveys of the Thames Water mains on Albert Street.

On 19 and 20 January between 7pm and 6am we will close Albert Street at the junction of Parkway and divert vehicles via Arlington Road and Delancey Street. We will re-open the road during the day.

The 'no entry' restriction onto Albert Street from Delancey Street will be lifted during the hours of the closure to allow vehicles to drive in both directions to access local properties and businesses.

We will use drills to access the Thames Water chamber and there will be some noise from the drilling for a couple of hours on the first night of the closure. We will then carry out a visual inspection of the valves within the chamber. The result of the inspection will determine if we need a further overnight closure on Friday 27 January.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email HS2enquiries@hs2.org.uk
