

Notice of works to the South of Euston Station

January 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Mace Dragados is the Construction Partner building the new HS2 station in Euston.

Utilities trial holes in Euston Road footpath

From 10 January to end February, we will undertake trial holes in several locations on Euston Road along with some ducting works for UK Power Networks. The trial holes will establish what services are below ground at each location and will not affect utility connections to buildings. We will be in each location for around two to four weeks, and works will be phased to manage disruption.

Trial holes will take place in the footpaths and bus lanes of Euston Road. There will be pedestrian diversion routes around the worksites and localised bus lane closures adjacent to the working areas (between North Gower Street and Eversholt Street). While working on the south side, bus stop P outside the Wellcome Trust will be suspended with the closest available stops being bus stop W and bus stop CH. Bus stop AZ will remain open but will be temporarily relocated to the west for two weeks. **Please see map on next page.**

Junction alterations for taxi rank and bus station

In order to build the new Euston London Underground interchange, we need to move the current taxi rank from Euston Square Gardens (west) to Euston Square Gardens (east), where it will remain for the rest of the HS2 construction period.

Construction works for the new taxi rank continue until Spring 2023, and include installing a canopy, building a new cycle ramp and making adjustments to junctions at Euston Road/Euston Grove and Eversholt Street. **Please see map on next page.**

Weekend closures of Euston bus station

We need to close Euston bus station for three consecutive weekends starting on 27-29 January, 3-5 February, and 10-12 February (from Friday 21:30 hrs to Sunday 23:59 hrs.) This is to widen the junction between the bus station and Eversholt Street to accommodate taxis in future. **Please see next page for more information.**

Working hours:

- Works starting on w/c 9 January to end February
- 8am to 6pm weekdays
- Weekends 8am to 6pm
- Night-time work (9pm to 5am) for traffic management set up prior to works starting.
- We will start-up and close-down activities up to one hour before and one hour after normal working hours above

What to expect:

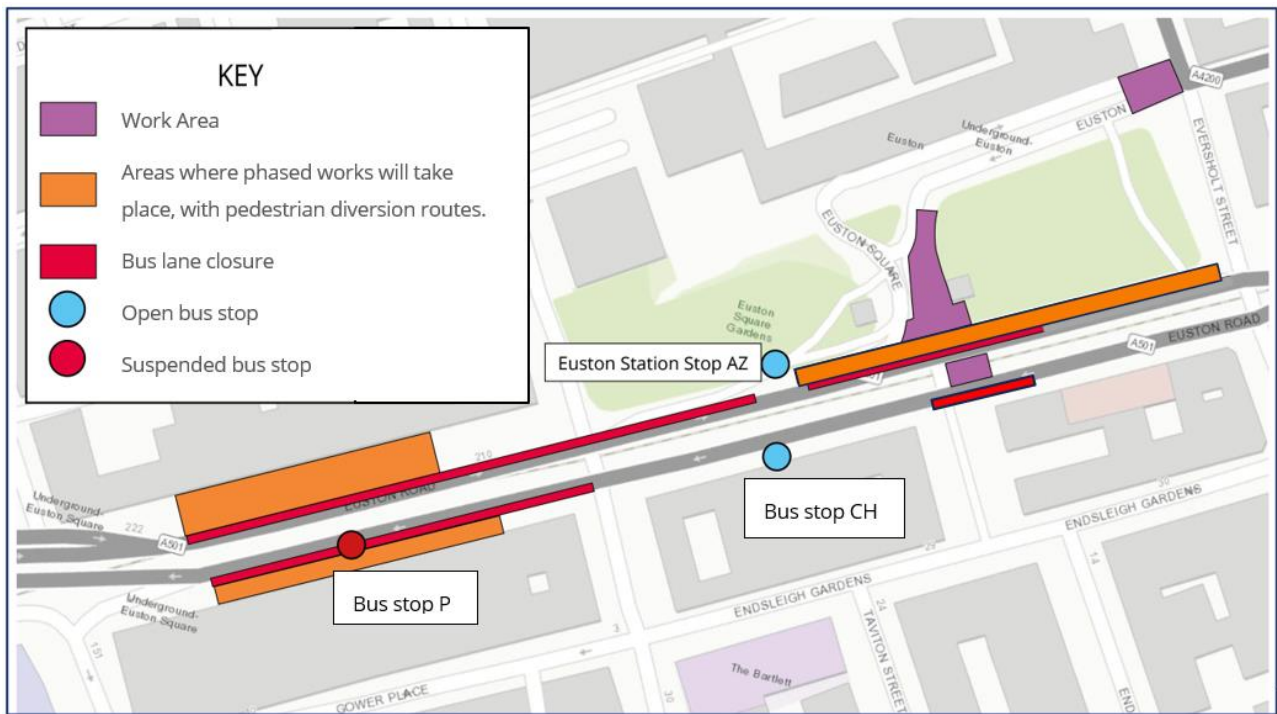

- Noise while breaking out the road/pavement
- Alterations to public walkways
- Partial lane closures
- Bus stop suspensions
- Weekend bus station closures
- Bike racks in Euston Square Gardens could be inaccessible for short periods

What we will do:

- Create temporary sites where is work taking place
- We will add measures to reduce noise and dust

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email HS2enquiries@hs2.org.uk

Contact our HS2 Helpdesk team on **08081 434 434**

Works within each area will be phased to minimise disruption.

Bus services during bus station closures

During the weekend closures, bus routes 30, 73, 205, 390, N73 and N205 will use bus stop AZ on Euston Road as shown on the map. Other routes will stop short of their normal destination or be on diversion. Please plan ahead using the **TfL Journey Planner** or check before you travel by visiting the **TfL Status updates** page.

Preparations for utilities works in the area of the existing taxi rank

To make way for utilities relocations and future London Underground works, we will be carrying out some vegetation clearance in Euston Road/ Euston Square Gardens in late January to February. These works will take place out of hours between 1am and 5am to avoid disruption to commuters, the taxi rank and Euston Road. During these hours, there will be additional traffic management in Euston Road from 11pm to 5am, with traffic flow maintained in both directions. The pedestrian route including the bike racks in the taxi rank area will be inaccessible for safety reasons while these works take place and an alternative pedestrian route to the station will be provided. If you store your bike in the racks overnight, please look out for signage to make sure you can collect your bike as the racks will close earlier so we can protect them before the works take place.

We recognise that construction work can be disruptive to those living or working nearby. The nature of our work often means some disturbance is unavoidable, but every effort is made to minimise any unnecessary noise. We will closely monitor all noise, vibration, and dust levels to ensure we do not exceed our agreed limits.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation

You can find out about HS2 and properties along the route by visiting: www.gov.uk/government/collections/hs2-property

Find out if you can claim compensation at: www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting the HS2 Helpdesk. For more details on our complaints process, please visit: www.hs2.org.uk/in-your-area/contact-us/how-to-complain/
