

Notice of temporary lane closures on Faraday Avenue / A446

December 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI is working in partnership with HS2 Ltd to build the new high speed railway in your area.

The work we will be doing

As we continue the construction of the new railway, we will need to undertake a range of surveys. The data from these surveys are used to progress the design of the railway. We need to carry out surveys to establish the exact depth and position of underground utilities. These works will involve digging trial holes within the roadside verges and central reservations of Faraday Avenue and the A446.

When these works will take place

Our works will be completed between Monday 23 January to Friday 3 February 2023. During these works we will be installing phased single lane closures on Faraday Avenue and the A446 / Lichfield Road during the following dates and times:

- 9.30am to 3.30pm - Monday 23 January to Friday 27 January 2023.
- 8am to 1pm – Saturday 28 January 2023
- 9:30am to 3.30pm – Monday 30 January to Friday 3 February 2023

Pedestrian and access to frontages will be maintained at all times.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>
