What we are doing

We wrote to you on 15 December to let you know that we would be carrying out bridge strengthening works to the railway bridge on the junction of West End Road and Bedford Road. These works have been rescheduled and will start on 6 February until 6 March 2023.

We will erect a tower scaffold within the work area shown on the map overleaf and install a safety zone around it, so we can carry out the bridge strengthening works. These works need to take place in advance of tunnelling works in Spring 2023.

How these works might affect you

Safely segregating the worksite from traffic necessitates a narrowing of the northbound lane. Two-way traffic will be maintained throughout. A footpath closure, pedestrian diversion and temporary crossings will also be in place.

We would like to apologise in advance for any disruption or inconvenience this may cause. Every effort is being taken to ensure that these works are carried out in the least impactful way. We will ensure that disruption is kept to a minimum.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>
