

# Notice of utility surveys on Brunswick Road

February 2023 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain.

## Works planned on Brunswick Road

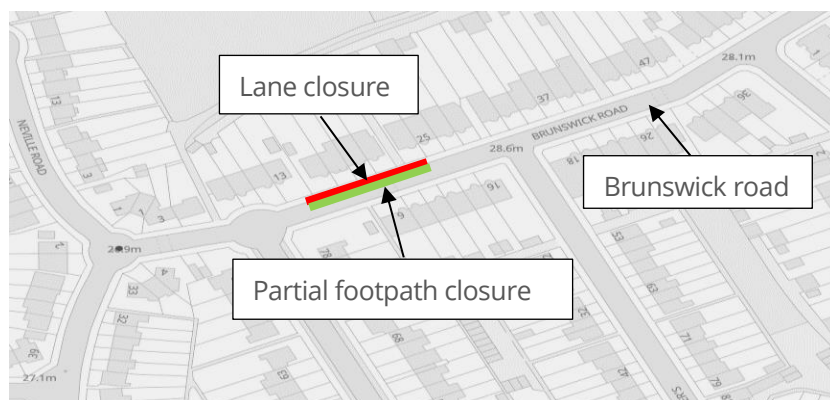

We will be carrying out overnight ground penetrating radar (GPR) surveys on Brunswick Road on 13 February 2023 between 8pm and 6am. After the GPR surveys, we will carry out ground investigations from 27 February to 10 March 2023 between 8am to 6pm Monday to Friday and 8am to 1pm, Saturdays, if required.

The ground investigations will consist of digging a temporary trench to confirm the location of utilities under the surface of the road and footpath. The investigations will help us to understand the best ways to protect or divert any utilities during construction, and aid the design of the new railway.

## How this might affect you

We will have a temporary lane closure and partial footpath closure in place whilst the surveys are carried out. Access for residents will be maintained at all times. We will work as efficiently as possible whilst keeping our work areas safe and tidy. You can view a map showing the location of these works below.

Please note the dates for the surveys may change. You can view our latest works updates at <https://www.hs2.org.uk/in-your-area/map/>
