Update on Transport for London bridge protection works near Herlwyn Avenue

February 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

You can sign up for regular updates in your local area at hs2inhillington.co.uk.

What we are doing

We wrote to you on 12 December to let you know that we would be carrying out protection works to the pedestrian footbridge at the Transport for London depot located trackside at the rear of Herlwyn Avenue. Because of proximity to the tracks, works took place overnight on 8 and 15 January when the railway was not operational. To complete the works, we will still need to install stairs to the bridge. These works are due to commence on 22 February until 15 March.

Please see the map overleaf for location and details of the works to be carried out.

How these works might affect you

Access to the bridge protection works area is via the turnstile on Herlwyn Avenue. We will ensure vehicles making deliveries are there for the shortest time possible. However, vehicles carrying equipment and tools will remain on the street.

We would like to apologise in advance for the disruption or inconvenience this may cause. Every effort is being taken to ensure that these works are carried out in the least impactful way. We will ensure that disruption is kept to a minimum.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

22 February to 15 March 2023
8am to 6pm

We may be on site for an hour before the start and/or end of each shift

What to expect

Vehicles delivering and unloading materials and equipment at the turnstile entrance

Up to four vehicles carrying equipment and tools will be parked on the street

Use of the turnstile by operatives to access the works area

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation
