February 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

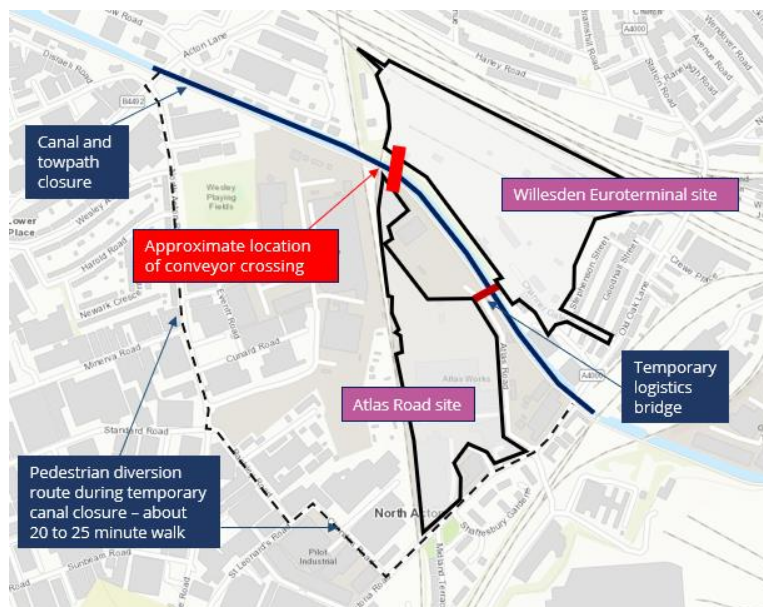

Temporary Grand Union Canal and towpath changes

From 6 March 2023 to 17 March 2023, we will be working at night to complete the installation of artwork on the Grand Union Canal conveyor bridge. The installation will take place between 9pm and 5am.

The artwork will be installed using a truck mounted mobile elevated work platform and a crane.

What to expect

To ensure the safety of the public and our staff, there will be temporary overnight closures in place on the Grand Union Canal and adjacent towpath between Acton Lane and Old Oak Lane. There will be suggested signed pedestrian and cyclists diversion during the closure. Access to the canal and towpath will not be restricted outside of working hours.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
