

Update: Atlas Road Roundabout Utility Works

February 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

Utility works on the Atlas Road Roundabout

Since 2021, HS2 contractors have been carrying out works at the Atlas Road roundabout to protect the utility assets in the area, these works are in preparation of the construction of the Atlas Road Logistics Tunnel (ARLT).

We wrote to you previously to explain that a Thames Water watermain leak caused a delay to our timetable and that these works would be extended till 28 February 2023. Our utilities team have been working hard to complete these works, but unfortunately there has been a delay with Thames Water fixing the watermain leak. As a result, we are now expected to complete our works by 20 March 2023.

Please expect delays in traffic movement near the Atlas Road roundabout during this period. Following these works traffic management will remain in place whilst UK Power Network (UKPN) conduct work.

What to expect

Until the 20 March 2023, temporary traffic management will be in place during various phases on the Atlas Road roundabout and adjacent roads. These works will include commissioning and abandonment works for the water and gas assets below ground as well as relining the current sewer structure. Excavation works will be required but are not expected to be as significant as the previous works. You can view more information about the location of these works on the following pages.

The previous updates on this can be found here:

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation

You can find out about HS2 and properties along the route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you can claim compensation at:

www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting the HS2 Helpdesk. For more details on our complaints process, please visit:
